Best of the best. Home or business, these are the structures we recommend when going 1.5ATA & above.

SPECIFICATIONS

Length: 2.2m (all models)
Dimensions: 75cm or 90 cm
Options: 1.5ATA & 2ATA

SOLID·O₂

All our chambers include:

- Our custom medical grade, high flow rate concentrators with Swedish filters delivering 93-96% purity O₂
- 1500 Watt Compressors with optimized cooling systems
- 2 year standard local warranty and repair with optional 2 year warranty upgrade on electronics
- 4 year custom German technology liquid filled pressure gauges – liquid filled pressure gauges are better for the mild vibration that chambers produce
- Solid steel solutions come with a 10 year warranty on the chamber body
